

Attorney Bio

Walter (Zev) Rudberg is an associate at Munck Wilson Mandala, practicing in the firm's technology/intellectual property group. He focuses his practice in the area of patent preparation and prosecution.

Zev prepares and prosecutes domestic and international patent applications in a variety of technical areas including computer hardware and software, telecommunications, HVAC systems, semiconductor devices and fabrications, robotics, and appliances. In addition to patent preparation and prosecution, Zev represents clients in patent litigation matters covering a wide variety of technologies.

Zev earned a B.E. in mechanical engineering from Vanderbilt University in 2008. In 2013, he received his J.D. from St. Mary's University School of Law. Prior to joining Munck Wilson Mandala, Zev worked as a patent attorney at IBM where he drafted and prosecuted patent applications in a high volume environment. Prior to his legal career, Zev worked as an engineer for a Dallas-based HVAC firm.
