Munck Wilson Mandala Recognized as the Third-Largest Patent Law Firm in North Texas

January 03, 2014 | (Time to read: 0 minutes)

DALLAS – The Dallas-based technology law firm Munck Wilson Mandala is proud to announce that the Dallas Business Journal has ranked the firm as the third-largest patent law firm in North Texas.

The DBJ publishes lists on an annual basis and Munck Wilson Mandala is no stranger to being among the top contenders. The firm applied for 965 patents in 2012 and the number is continually rising as 2013 comes to a close. In fact, Munck Wilson Mandala has had the most patents issued in 2012 from the entire listing of North Texas Patent Law Firms. These achievements, as well as the overall growth in terms of practice areas and number of attorneys places the firm as a top-notch destination for any client looking for representation and protection.

Munck Wilson Mandala is a Dallas-based, technology-focused law firm with an emphasis on patent, trade secret and other intellectual property disputes. The firm offers full-service counsel in the areas of intellectual property litigation, complex commercial litigation, intellectual property portfolio development, corporate transactions and securities, and employment law. Munck Wilson Mandala represents clients from start-ups to Fortune 50 companies. Learn more about the firm at <https://munckwmdev.wpengine.com>.
