Munck Wilson Mandala Welcomes IP Associate Alexander Antonio and Litigation Associate Tri Truong

October 31, 2019 | (Time to read: 0 minutes)

Dallas, TX, October 31, 2019 – Munck Wilson Mandala added intellectual property associate Alexander Antonio and litigation associate Tri Truong to the firm's practice.

Antonio obtained his B.S. in mechanical engineering from the University of Oklahoma and his J.D. from Texas A&M University School of Law. His addition to the MWM IP team adds another attorney to the firm's strong roster of over 40 registered patent attorneys.

Prior to his legal career, Antonio worked as a project engineer for FMC Technologies, where he specialized in designing subsea oil and gas manifold systems for some of the biggest oil producers in the world. His experience as a project engineer has outfitted Antonio with the technical knowledge needed to prepare and prosecute patents in a variety of technical fields.

Truong received his J.D. magna cum laude from SMU Dedman School of Law, where he served as an article's editor of the SMU Law Review Association and a student attorney in the SMU Criminal Justice Clinic. While in law school, Truong also served as a judicial intern at both the trial and appellate level. He holds a B.S. in Biology from Texas A&M University and a Master of Arts in Legal Studies from Texas State University. His addition to the MWM litigation team expands the firm's highly regarded litigation practice.

Munck Wilson Mandala is a technology-focused law firm with offices in Dallas, Austin and Marshall, Texas, and Los Angeles, California. The firm offers full-service counsel in the areas of intellectual property litigation, complex commercial litigation, intellectual property portfolio development, corporate transactions and securities, and employment law. Munck Wilson Mandala represents clients from start-ups to Fortune 50 companies. Learn more about the firm at <http://www.munckwilson.com>.
