

Alex Jablonski

Senior Associate Litigation

Uptown Dallas

ajablonski@munckwilson.com
972.628.3676

Alex focuses his practice on patent litigation. Alex earned his JD from Texas A&M University School of Law, where he graduated in the top 2% of his class and then went on to become the top scorer on the July 2022 Texas Bar Exam.

Prior to law school, Alex received a BS in chemical engineering from the University of Oklahoma. During his academic years, Alex worked on IP issues for biotechnology and pharmaceutical companies. In addition, he served as a judicial intern for the United States District Court for the Eastern District of Texas.

Experience

- Defending a leading dermatology pharmaceutical company in an intellectual property case seeking \$200 million; obtained a summary judgment in favor of clients on damages, noninfringement on all asserted patents and no misappropriation of trade secrets
- Representing a electric-vehicle company in multi-million-dollar litigation involving claims of trade secret misappropriation, breach of contract, breach of fiduciary duty, tortious interference, and unfair competition
- Defending a hoverboard manufacturer in a case alleging infringement of utility and design patents
- Defending an automobile manufacturer in patent litigation
- Defended all claims of a patent in post-grant review, obtaining a reversal of institution decision
- Representing plaintiffs in district court and appellate proceedings involving claims of defamation and trade libel
- Representing a electric-vehicle company in appellate proceedings related to the denial of motion to compel arbitration
