Alex Jablonski is an associate in the litigation group. He focuses his practice on patent litigation and commercial litigation. Alex earned his J.D. from Texas A&M University School of Law, where he graduated in the top 2% of his class. While in law school, he was a member of the Texas A&M Law Review and participated in the Patent Clinic.

Prior to law school, Alex received a B.S. in chemical engineering from The University of Oklahoma. He participated in the Campus Activities Council and was a member of the Delta Tau Delta fraternity. During his academic years, Alex worked on IP issues for biotechnology and pharmaceutical companies. In addition, he served as a judicial intern for the United States District Court for the Eastern District of Texas. Alex was the top scorer on the July 2022 Texas Bar Exam.
