### Overview

**Our team services every aspect of the health care industry and creatively navigates its fast-paced environment. Our attorneys offer decades of health care experience, equipped to handle the ever-changing landscape of the industry from compliance, employee litigation, HIPPA policies, regulatory policies, and more.**

Munck Wilson Mandala has long-standing relationships with premier hospital systems in the Dallas-Fort Worth metroplex including Parkland and Baylor Scott & White. For more than two decades, attorneys have been servicing the entire hospital system from matters pertaining to employee litigation, HIPPA policies, compliance, and more.

Strategically aligning health care goals with regulatory policies and business strategy, we are uniquely positioned to provide guidance for every aspect of the health care world. The team is well-versed in the evolving health regulatory world and is continuously up to date on HIPPA and clinical research matters, Medicare and Medicaid reimbursement, Stark Law, anti-kickback statute, and other healthcare regulatory issues. We help you focus on compliance so you can focus on your business.

We understand the complexity of the industry and help navigate contract negotiations, partnerships, mergers and acquisitions, practices changes, and more. Our expert team ensures clients create a sound structural system better navigate crisis issues that might arise.
