

High Stakes Litigation

At a Glance

From Fortune 50 to Individual

No matter how complex your high-stakes matter is, our team has represented clients and companies in nearly every industry and situation imaginable and we are prepared for the most sophisticated rivals in commercial/business disputes.

Award Winning Litigators

Known for award-winning verdicts, MWM has been named Litigation Department of the Year by Texas Lawyer and a Regional Powerhouse by Law360. MWM litigators, both associates and partners, are honored as Super Lawyers, Best Lawyers in America, Rising Stars, and various other listings.

Both Sides of the Bench

MWM represents both plaintiffs and defendants in cases involving business torts, fraud, and breaches of trust, fiduciary duties; securities fraud; partnership, investment, shareholder, and derivative disputes; anti-trust and competition conflicts; class actions; trade secret battles; and numerous other high stakes disputes.

Overview

Munck Wilson Mandala prides itself on making “The Difference” in high-stakes litigation through advocacy, innovation, and the tenacious pursuit of our clients’ best interests. Our high-stakes litigation professionals have been deployed across the nation, sometimes replacing the clients’ former counsel under difficult and exigent circumstances. MWM is an excellent choice when faced with high-stakes legal matters for three key reasons.
