### Overview

**Owners, operators, managers, brands, and financiers know that succeeding in the hospitality industry requires unique skills and a highly competitive mindset. You need to have legal advisors aware of the nuances of a rapidly changing and fluid industry. At MWM, our legal advisors are seasoned veterans who have worked with clients for years in this volatile industry. They know how to identify the risks and opportunities ahead of the game.**

Munck Wilson Mandala offers hospitality clients the competitive market advantage needed to thrive amongst competitors in the growing landscape. Our well-versed team helps provide unique solutions to real-world challenges in the industry.

We represent owners, operators, private equity investors, lenders, and family owned businesses. Our savvy team is equipped to manage all legal needs ranging from contract disputes, real estate acquisition and leasing, trademark, employment, and more.

We provide outstanding expertise to some of the most well-known establishments in the Dallas metroplex including Nick & Sam's, Eatzi's, Trinity Groves, and more. Drawing on the exceptional experience of our hospitality team, we provide business-minded strategy and counsel to our hospitality clientele and represent them in litigation matters when they are facing disputes.

The team's exceptional knowledge of the industry coupled with our accomplished attorneys allow us to provide preventative legal expertise and guidance, helping clients focus on what they do best.

*"In business, success comes from anticipating your customers' needs and providing excellent service. My partners and I focus on unique ideas and developments in the restaurant community and have found success using that method. Bill and his team have helped us legally using the same recipe."*
