Overview

Munck Wilson Mandala offers all services needed to maximize legal solutions for superior outcomes. Serving as like-minded business partners, Munck Wilson Mandala works cross-departmentally to provide long-term legal strategy in addition to day-to-day services for its manufacturing clients.

We offer experience in a variety of industries in need of manufacturing legal guidance. Our legal services apply to consumer goods, raw materials, chemicals, life sciences, pharmaceutical, product safety, trademark, and more. Our team provides expert compliance assistance, ensuring that evolving regulations are followed every step of the way.

Attorneys understand and adhere to the life cycle of the manufacturing process. From innovation, dispute resolution, labor laws, and more, the team manages legal matters often before they arise, giving our clients peace of mind.

Our legal team is also well-versed in regulatory matters involving the Food and Drug Administration (FDA), the Federal Trade Commission (FTC), and the Office of the Inspector General, allowing clients to solely focus on business goals and objectives.
